Good Afternoon Brock Middle Community,

We hope that you have had a safe and restful Summer Break. We look forward to greeting our new students and welcoming back our returning students next Tuesday. This message is intended to provide families with some helpful resources to support student's with their transition back to school.

Health and Safety:

As a school district we have developed the [SD 73 Safe and Healthy Facilities Communicable Disease Prevention Plan](#) and we also have a school specific [Communicable Disease Prevention Plan](#). These plans have been developed with the purpose of guiding staff and students while providing them with important information about preventing communicable disease including information on:

- Being informed about communicable diseases and measures on how to support a safe school environment; and
- Understanding roles and responsibilities in maintaining and promoting safe and healthy schools

Prior to coming to school every day, staff and students must complete a Daily Health Check. This can be accomplished by using [this form](#) or using the online provincial [Health Check App](#). Both students and staff are asked to not come to school if they are feeling unwell.

All students in Grades 4-12 are required to wear a mask indoors in schools and on school buses. Our school will start with separate entrances designated for each grade and one-way hallways. To help understand what this looks like, we have included [this map](#). After Tuesday, Sept. 7, students will be able to enter the building starting at 8:15am.

Fees and Forms

Families will have the ability to pay their fees online through School Cash Online. Please take a minute to review this [Letter of Intent](#) for information and direction on how to sign up for this convenient and easy way to pay this year's school fees. Parents who create an account prior to September 15th will not see school or student information. This information will be available after the 15th. We will continue to accept payment via cheque and cash.

If you are interested in either of our lunch programs, please [click here](#) for further information and forms. Lunch programs will begin the week of September 13. We have two different programs with forms due back as early as September 10 to ensure your order.

First Day and First Week Information

By the end of today families should receive a second email from our principal, Tonya Perry, letting students know which teacher they will be meeting at 10:30am on Tuesday. If you do not receive a message, please know that there will be staff and leadership students available to support students in finding out where they need to be. Students will be meeting their B Block teacher along the north side of our school. Please take a minute to review [this map](#), showing where the different grades and classes will be organized. Students will

need to bring a writing utensil, a binder with paper, and a lunch. Individual teachers will provide further direction about materials needed.

The schedule for Tuesday, Sept. 7 will be as follows.
